waterHQ: Launching an Industry Platform

Deep in the Water Community Since 1977

For more than four decades waterHQ (previously Arab Water World) has been serving the Water, Wastewater, Desalination & Energy sectors, striving to provide a central platform to its readers, subscribers & clients through which cutting-edge high-quality news, information and data pertaining to water industry is presented.

waterHQ is the focal point where industry professionals meet their needs. waterHQ is published monthly and provides news, analysis, concepts and trends, product reviews & interviews with leading players in the water industry bringing its readers in-depth insights and information.

As the leading B2B water magazine, waterHQ is the vital link between international manufacturers, producers, exporters & agents / resellers in the B2B industry and is your ideal partner whether you wish to gain accurate and up-to-date insight on the water industry or whether you wish to gain maximum exposure to your company's products and services.

Major water companies & manufacturers trust waterHQ as their promotional platform of choice to have maximum exposure for their products & services and increase their market share. waterHQ also enjoys a close partnership with leading water-related event organizers worldwide where it holds the status of official, regional or supporting magazine in major events where bonus copies are distributed to exhibitors, visitors and conference attendees.

Catching the Online Wave

The waterHQ website provides online insight for e-readers into the water industry through a combination of industrial news and trends, innovative technologies, country reports, and event news related to the water, wastewater, desalination and energy sectors. waterHQ website is going to be part of an industry portal www.industryhq.com which will be launched in January 2019.
